

Lt. Rogers

A Musical Extravaganza

TO THE MEMBERS OF THE COMPANY OF THE 'JUNGLE JUICE REVUE'.

I want to express my appreciation of the excellent job you have all done during the past six weeks. You have put in many extra hours of hard work, but the results have given thousands of men in the area immeasurable entertainment. The fact that you have all worked so harmoniously together under circumstances often very trying, should be a source of pride to you all.

Any subsequent shows which may come to this area will certainly have a very high standard to live up to. For all the Air Corps units here, I want to thank all of you for giving us a grand time.

*Richard Rogers*

Dear Gang,

My most sincere thanks and gratitude to each and every one of you for your generosity in giving of your time and talent so freely. Please do not think that the obligations many of you put yourselves under are not appreciated. It certainly has been great fun working together. My only wish is that I shall be blessed with an equally talented and ingratiating cast in future ventures. And so, as Dodo said to the forest upon his exit--"Bless you all".

*Jack*
